

Another Holiday season is upon us, and we at Herman's Boy pray this letter finds you, your employees, your client's and anyone you care for safe and healthy. We have endured quite a year and like you we hope for happier and safer times in 2021.

We continue to fill our gifts with fresh products of the highest quality, most of which are made in house, however now we take even more pride in how we handle, produce and package our gifts. We have always taken care to make sure we follow all health codes and now in these times we continue to go beyond any measures to ensure the safety of our employees, clients and anyone that might receive a gift from us. Whether you need 10 or 500 gifts, we can make your buying experience easy, and make sure you get the best bang for your buck. We understand that this pandemic has been especially hard on businesses and budgets may be tight and that is where we believe we are perfectly suited to help. We take pride in the quality and freshness of our gifts, but especially in the amount of product for the price.

We have the ability to ship your gifts across the country, or you can stop in and pick them up to hand out yourself. We can also custom label coffees and gifts with your company's name and a personal message. Your employees, clients and associates will enjoy a custom gift from Herman's Boy!

We would love to work with you to make your experience as smooth and rewarding as possible. Please feel free to call or email us at any time with questions or to place your order, or stop in the store and we can work with you in person to show you all we can do for you while you enjoy the smells, sights and sounds of the Holidays at Herman's Boy.
